

CHESSMOVES

SEPTEMBER 1994

PRESIDENT'S MESSAGE:

This edition of CHESSMOVES, coming as it does after a prolonged period of upheaval in the life of the school, is mainly directed at looking ahead to, and soliciting your interest in, the main social and fund-raising event of the year. The Camberwell High School Fair, something of an institution now, takes place on Saturday October 22nd, and no stone is being left unturned to make it a success. A great deal of organisation has been under way for some months in the school itself, and the other member bodies of the wider school community. CHESS intends to play its part, both in the lead-up and on the day itself, and this is where you can be involved.

Enclosed with this newsletter you will find an invitation to help out with the selling of tickets in the raffle, which will be drawn on the day. It's a worthy cause, of course, and the prizes are most attractive. Please help out if you can.

For those who'll be coming along to the fair on the day, and I urge you to do so if you can, come and join us in the main marquee on the oval between 12 and 1 o'clock. Attractive meals and snacks will be available at reasonable prices, and you'll be able to meet up again with friends from school days.

ACTIVITIES SURVEY:

We're also seeking your help in settling on the kinds of events and activities that you would like CHESS to undertake on your behalf. The other enclosure with this edition sets out some alternatives you might like to consider. Please fill it in and return in the enclosed Reply Paid envelope (not overlooking the chance to win - at no cost to you - one of the very attractive prizes in the Fair raffle. We need your help to plan our program for the future. Please take a few minutes to help us.

VOCATIONAL BREAKFAST:

This annual event, held at the school on July 28th this year, was once again a great success. About 70 Year 12 students heard 6 speakers, all former students, talk about their own working lives, and the decisions and quirks of fate which led them to where they are now. Some questions and informal exchanges rounded off the morning.

SCHOOL SIGN:

The large sign near the main gate of the school, on Prospect Hill Road, was a project initiated and partly funded by CHESS. It's now in place, and a useful addition to raising the school's visible profile in the area.

COME ONE, COME ALL
TO THE CHS FAIR
AT THE SCHOOL

FROM 10AM
SATURDAY, OCTOBER 22ND
